

WDDSSG Library

You are very welcome to borrow books and/or DVDs from our library, which is currently kept at Lupset Children's Centre and opened once a month when we hold Saturday Club.

We don't charge any fees for borrowing the items, we just ask that you return them within the following two Saturday club meetings so other people can access them.

If you have any difficulty attending Saturday Club to collect or return books:

- you can find a link to the full list of the original library contents on our web site, in the What's On section. Any trustee will be able to access the active database for you to find out if an item is available if needed.
- you can arrange for anyone else you know who comes to the group to collect books and pass them on to you, or return them - or email info@downsyndrome-wakefield.co.uk or post on the facebook group for someone local to you to help out

If you have had the item for a very long time, we will contact and ask you to return it to us by post so others can access it.

If you ever have any books or DVDs to donate to the library that will benefit other parents in the group, please bring them along!
